Who we are

MS Builders, founded 17 years ago, has established itself as one of the foremost contracting companies in Kerala. Our head office, strategically situated in the vibrant city of Kasaragod in Northern Kerala, serves as the hub for our extensive operations across the state. With a rich legacy of delivering high-quality infrastructure projects, we have built a robust reputation for excellence and reliability. Our portfolio encompasses a wide range of projects for various government departments, including the Public Works Department, Irrigation Department, Inland Navigation Department and Harbour Engineering Department, among others. At MS Builders, we pride ourselves on our unwavering commitment to transforming visions into reality. Our team of skilled professionals and experts leverages cutting-edge technology and innovative solutions to ensure the successful execution of projects, no matter how challenging. We are dedicated to enhancing the infrastructure landscape of Kerala, providing top-notch services that contribute to the state's development and growth. As we continue to grow, our mission remains clear: to deliver excellence in every project we undertake and to build a better, more connected future for the communities we serve.

Meet Our Leaders

Abdul Hakeem, the Managing Director of MS Builders, brings a rich legacy to the company. He is the son of the late CM Seethi Haji, a renowned and respected figure in Kerala's contracting industry. CM Seethi Haji was a celebrated contractor with over 40 years of experience and a reputation for excellence and integrity. Under Abdul Hakeem's leadership, MS Builders continues to uphold these values, striving for quality and innovation in every project. This generational expertise and commitment to the industry have positioned MS Builders as a leading force in Kerala's infrastructure development.

The Director's Desk

Mr. MS Abdul Hakeem

Abdul Hakeem, the Managing Director of MS Builders, has made remarkable strides in the construction industry at the young age of 37. Born into a legacy of excellence as the son of the renowned contractor CM Seethi Haji, Abdul Hakeem has continued to uphold and expand his family's reputation for quality and reliability in the industry. Under his dynamic leadership, MS Builders has flourished, becoming a major player in Kerala's contracting sector.

Abdul Hakeem's vision in founding MS Builders was clear: to create a versatile construction company capable of handling projects of all scales, from small community initiatives to large-scale government infrastructure. His dedication to excellence and innovation has led the company to successfully execute projects across diverse sectors, including public works, tourism, water management, and more.

With a focus on both government and non-governmental departments, Abdul Hakeem has guided MS Builders to cater to a wide range of clients, delivering projects that not only meet but exceed expectations. His achievements include numerous awards and recognitions, reflecting his commitment to quality, integrity, and customer satisfaction. Abdul Hakeem's forward-thinking approach and dedication to his craft have made MS Builders a trusted name in the industry, known for transforming visions into reality with unparalleled expertise and efficiency.

Vision & Mission

Vision Statement

To be the leading contracting company in Kerala, renowned for transforming innovative ideas into reality and setting new benchmarks in infrastructure development, while contributing to the growth and prosperity of our communities

Mission Statement

Our mission is to deliver exceptional infrastructure projects that exceed client expectations through quality, innovation, and integrity. We are committed to fostering a culture of excellence, ensuring the highest standards of safety and sustainability, and building strong, lasting relationships with our clients, partners, and stakeholders

Values

We conduct our business with honesty, transparency, and respect, fostering trust and credibility in all our relationships.

Innovation

We strive for the highest quality in all our projects, ensuring exceptional outcomes that meet and exceed client expectations.

Commitment

We conduct our business with honesty, transparency, and respect, fostering trust and credibility in all our relationships.

Community

We strive for the highest quality in all our projects, ensuring exceptional outcomes that meet and exceed client expectations.

Collaboration

We conduct our business with honesty, transparency, and respect, fostering trust and credibility in all our relationships.

Why choose MS Builders?

Proven Track Record: With 17 years of experience in the industry, MS Builders has successfully completed over 50 projects, ranging from major bridges and road networks to key government infrastructure initiatives. Our extensive portfolio showcases our ability to deliver complex projects with precision and quality.

Expertise and Innovation: Led by Abdul Hakeem, son of the renowned contractor CM Seethi Haji, our team brings generational expertise and a deep understanding of Kerala's construction landscape. We leverage cutting-edge technology and innovative solutions to ensure that our projects are efficient, sustainable, and meet the highest standards.

Comprehensive Capabilities: With four offices across Kerala and a dedicated workforce of over 200 professionals, we have the capacity and resources to handle projects of any scale. Our comprehensive services cover various sectors, including public works, irrigation, navigation, and tourism.

Commitment to Quality and Safety: We prioritize quality and safety in every aspect of our work. Our commitment to excellence ensures that our projects are not only completed on time and within budget but also meet stringent safety standards.

Trusted Partnerships: Our longstanding relationships with various government departments and private clients are a testament to our reliability and trustworthiness. We pride ourselves on building strong, collaborative partnerships that result in successful project outcomes.

Community Focus: We believe in giving back to the communities we serve. Our projects aim to enhance the quality of life for residents by improving infrastructure and promoting sustainable development.

Commitment to Quality

At MS Builders, our commitment to quality is the cornerstone of everything we do. We believe that the foundation of a great project lies in the materials we use and the precision with which we execute our work. To uphold our reputation for excellence, we go to great lengths to ensure that only the finest materials are sourced for every project.

Our team meticulously selects materials from trusted suppliers, traveling to every part of India to personally inspect and verify the quality of products at their factories. This hands-on approach allows us to assess the raw materials and manufacturing processes firsthand, ensuring that they meet our stringent standards for durability, safety, and performance.

By taking these extra steps, we guarantee that each project we undertake is built to last, reflecting our unwavering dedication to delivering superior results. Our rigorous quality control measures, combined with our expertise and experience, ensure that MS Builders continues to be a trusted name in the construction industry, known for transforming visions into reality with unmatched quality and craftsmanship.
